

18th International Conference on Renewable Energies and Power Quality (ICREPQ'20)
Granada (Spain), 2nd to 4th September 2020

***Title:* Recent experiences on the application of AI techniques to distribution systems**

***Chair:* Antonio Gomez-Exposito**

Antonio Gomez-Exposito is the “Endesa Chair” Professor at the Department of Electrical Engineering, University of Seville, Spain. He is a Fellow of the IEEE and past editor of several journals, including the IEEE Transactions on Power Systems. Among other recognitions, he received the 2019 IEEE/PES Outstanding Power Engineering Educator Award and the 2011 Research and Technology Transfer Award, granted by the Government of Andalusia.
