Phone Number: 71 727702

Mobile: 98 292646

ORCID: 0000-0002-8930-7820

Mohamed Najeh Lakhoua born in 1971 in Tunis (Tunisia), he received the BSc degree in Electrical Engineering from the High School of Sciences and Techniques of Tunis, the DEA degree in Automatic and Production engineering from the same school and the PhD degree in Industrial Engineering from the National School of Engineers of Tunis, respectively in 1996, 1999 and 2008. He is currently an Associate Professor at the National School of Engineering of Carthage (ENICarthage) and member of the Research Laboratory Smart Electricity & ICT, SEICT, LR18ES44 of ENICarthage. He received the HDR degree in Electrical Engineering from ENICarthage in 2015. He is a Senior Member of Institute of Electrical and Electronics Engineers (IEEE). Dr Lakhoua has published many scholarly research papers in many journals and international conferences.

His main research interests are linked to the:

- system analysis and modeling
- automatic control
- supervisory system and SCADA
- information system development
- renewable energies and Smart Grids

Additional Information:

- Member of the ICREPQ-International Scientific Committee
- RE&PQJ-Scientific Committee Member
