

MESSAGE OF THE ICREPQ SC CHAIRMAN

Dear Colleague,

It is our great pleasure to invite you to **ICREPQ'22- "20th International Conference on Renewable Energy and Power Quality"**, to be held in Vigo, Spain, from 27th to 29th July 2022.

We hope that the vaccines will permit the COVID-19 control all over the world for the year 2022. In any case, we have decided that in this 20th edition the conference will be held mainly in face-to-face mode, but also on-line.

This ICREPQ is the major International Conference devoted entirely to renewable energy and power quality. Started in Vigo in 2003, is now established as a regular annual event that in this 20th edition will come again to Vigo.

Very successful ICREPQ conferences were held in Vigo (2003), Barcelona (2004), Zaragoza (2005), Palma de Mallorca (2006), Sevilla (2007), Santander (2008), Valencia (2009), Granada (2010), Las Palmas de Gran Canaria (2011), Santiago de Compostela (2012), Bilbao (2013), Córdoba (2014), La Coruña (2015), Madrid (2016), Malaga (2017), Salamanca (2018), Tenerife (2019), Granada (2020) and Almeria (2021). Now we want to organize a very unforgettable conference in the University of Vigo. School of Industrial Engineering

This Conference, like its predecessors, is a forum for specialists engaged in the fields of renewable energies and power quality, can discuss current progress and future developments and trends in these two important areas, and also in those topics like: electric vehicles, electrical machines and drives, power electronics, control strategies, monitoring and diagnostics, etc, that are connecting with them. For to exchange information and experience of developments, trends and applications, from researchers, academics and professionals. Topics related to practical applications, operations, maintenance and teaching are also highly encouraged.

You are strongly encouraged to participate and submit papers to the ICREPQ'22 Conference for regular and special sessions. Potential authors and other interested participants are most welcome to visit and discover the information of our conference web page. English will be the working language for all printed material, presentations and discussions.

If you attend to ICREPQ'22 then you can visit the city of Vigo, the Spanish city with the best quality of life, following the conclusions of the Organization of Consumers and Users of Spain (OCU) study, his monuments and wonderful bay and beaches, Baiona with his castel of Monterreal, that was the first city of Europe to receive the Pinta Caravel and then news of the discovery of America and also will visit the city of Santiago de Compostela and his Cathedral, take into account that in an extraordinary way, the Jacobean Holy Year will be celebrated consecutively throughout the year 2021 and the year 2022.

I would appreciate if you could send this information to Colleagues of yours that might be interested. Thank you very much for your interest and collaboration and I hope forward seeing you in Vigo.

With my best wishes,

Manuel Pérez Donsión

Chairman of the ICREPQ Steering Committee
Full Professor of Vigo University
